This year's dates:
July 18-23

The Goal of World Changers is:

to provide a dynamic, week long missions experience for Christian youth and adults with opportunities to meet the physical and spiritual needs of others through practical learning experiences that teach servant hood and personal commitment to missions.

What is World Changers?

World Changers is a missions project where youth groups travel outside of their hometowns, sleep on the floor, and participate in minor home repairs in order to reach people in the project area. CBA's goal in partnering with World Changers is to meet the spiritual needs of people by serving their physical needs.

Calkoun County World Changers Stats:

- CBA has hosted a World Changers project every summer for the past 10 years.
- Participants work on an average of 22 houses each year.
- Due to evangelism efforts of participants and host churches, an average of 5 people have professed salvation each year.

How Can I Get Involved?

- Organize your church to host and feed a crew lunch each work day.
- Volunteer to serve at the housing site. We need church groups to come and serve breakfast and supper meals to participants and clean the location.
- Move 'em in and move 'em out. Groups can help participants unload luggage. We also need help cleaning the housing site after the participants leave.
- Share in the Block Party. We will be hosting a block party for the community of Anniston on Wednesday night. We need groups to help with entertainment, games, food, and sharing the gospel to those who attend.
- Collect water bottles for crews.
