Baptist Campus Ministries

Baptist Campus Ministries (BCM) is a partnership ministry of the State Board of Missions of the Alabama Baptist Convention AND the local Baptist Association of churches. BCM is a recognized student organization on college and university campuses across Alabama and led by a State Board of Missions employed Campus Minister or an association appointed Campus Minister.

BCM exists to serve as an evangelistic outpost directly on the college campus. The organization is student-led and Campus Minister directed in order to reach students with the Gospel of Jesus Christ, grow faithful Christian disciples and involve students in missions and ministry. This is accomplished through ongoing evangelism efforts, weekly worship, Bible study and fellowship opportunities as well as special state-wide and national student events. BCM works directly with Alabama Baptist churches and works to connect students with a local church while on campus.

Baptist Campus Ministries is funded and made possible by gifts from Alabama Baptist churches through the Cooperative Program and the local Baptist association of churches.

Jax State BCM exist to reach students with the gospel, disciple students to grow as followers of Christ and send them to the nations and the campus with the gospel. BCM is an extension of our local Alabama Baptist churches and associations. We serve our local campuses because Alabama Baptist through the Cooperative Program believe that the campus is the most strategic mission field in our state and when we disciple and reach students, we are preparing future generations of ministers, missionaries and lay leaders for our local churches. Thank you for your continued partnership in the Gospel!

Missions Report 2024

Be His Hands and Feet!

I'm Diane Smith, a missionary serving in Calhoun County AL as an Evangelism Catalyst. I like to say I have been called to love others as Jesus first loved me, being His hands and feet as He leads me daily. I serve under the umbrella of the North American Mission Board and Calhoun Baptist Association. There have been new things happening this past year. His Hands and Feet Ministries of Calhoun County, my non-profit continues provide items for the warming station that other nonprofits can't provide because we are a faith-based organization. Sugar, coffee, creamer, paper products, coffee cups, and much more are just a few things we have been able to provide. We have been able to purchase bus tickets, helping people reconnect with their loved ones. Often, it helps meet the needs of work clothes, shoes or boots as some are getting started in the workforce, or helping an individual pay their electric bill. His Hands and Feet Ministries believes that the homeless and under-resourced of Calhoun County need a hand up not just a handout. We continue to have Saturday morning coffee for them on 13th Street in Anniston. We also continue working on building relationships and allowing us to get to know each other. Each Saturday someone shares the gospel, a devotion, or a testimony with them. Please pray for us as we seek a larger space and God shows us how to give them the hand up vs the handout. If you would like to be a part of this ministry, please contact me at 704-904-8774.

I continued my relationships in Anniston High School and Golden Spring Elementary School, prayer walking the halls and engaging, equipping, and empowering those He puts before me. Often it is taking a student for a meal just to talk, praying with a teacher that no one else knows is hurting, or just giving a hug and kind word letting them know they are loved. This year I have been able to build my relationship with the band students. It has been a true blessing getting to know these students and even chaperoning a long bus ride with them. I continue to have relationships with some college ladies that often feel alone, depressed or struggling with school in general, and encouraging words or prayer go a long way in starting out their day. Many relationships start by just being present in the lives of others. Jesus went to the people, for me it may be a prayer walk, football game, basketball game, hanging out with my homeless friends letting His light shine for all to see, while being sure they hear the Good News of Jesus Christ. I had a pastor tell me one time not to bring anyone to church until you have set across the table from them for a meal or a cup of coffee.

I am truly blessed to be the hands and feet of Jesus and love others as He first loved. If you are interested in partnering with me in any way or contacting me to speak at your church or group meeting, all my contact information is below.

Calhoun Baptist Association

Alabama Raceway Ministries

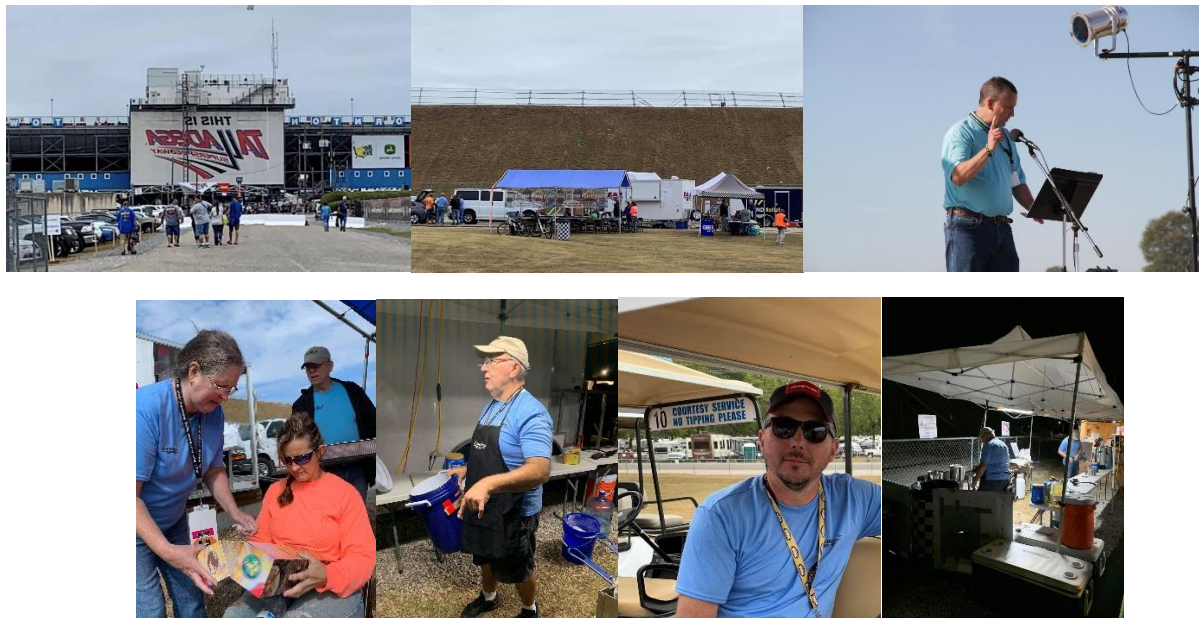

We have so many volunteers from our Calhoun Baptist Churches
that help with this ministry.

In cooperation with the State Board of Missions and the Calhoun Baptist Association, Alabama Raceway Ministries is an evangelical opportunity to serve others.

Christ commands us to go into all the world and preach the Gospel. Twice each year people from around the world come to Talladega Super Speedway because of their passion for stock car racing. Volunteers are needed for many different areas. Here are some areas in which you could serve: Share the gospel with race fans, give away free firewood, volunteer to drive a golf cart to transport race fans to the track (and pray with them on the way), cook and serve meals, pass out drinks and snacks, help us set up and take down our sites, talk to race fans as they eat their meals we provide – find out what we can pray for them about, hand out free tracts, help promote our Sunday morning service before race time. PRAY – for God’s presence in our North and South parks, that we may see race fans from God’s perspective, that the unsaved will be open and responsive to the Gospel.

If you would like to become part of this ministry, contact the Calhoun Baptist Association at 256-237-5171. Below are just a few snapshots of the ministry and fellowship we provide at Talladega Super Speedway.

Report

Gladly I report on the ministry of the Baptist Service Centers. We continue to serve the food insecure of Calhoun County at this Center. The volunteer teams continue to serve out of this one location. We are open Monday-Friday 10 :00a.m. – 2:00 p.m.

The cost of everything (utilities, groceries, Bible, supplies) has increased. Food purchases are increasing in cost and in amounts being purchased. We are seeing an increase of first-time clients. A few reasons for the amounts of items increasing are often food drives are not bringing in as much food and our church volunteer teams are not always able to bring food donations when they serve.

Statistics

68	Led to Christ
1,577	Plan of Salvation Presented
444	Bibles Given
1,041	Tracks Given
2,156	Clients Prayed With
2,364	Family Units Served
4,906	Family Members Receiving Assistance
1,431	Families Receiving Clothing/Coats
\$58,165	Funds Used from designated financial offerings CBA Food Purchases
\$42,560	Reports Food Purchased by Churches
1,872	Volunteer Days
83,320+	Pounds of Food Given

As of this past Spring, the Baptist Service Centers have been blessed to serve for 33 years. My prayer is that we will continue to work together to serve those in need here in our communities. As I've said before, we are not a food bank nor are we a drive-thru where a box of food is handed out. We build relationships with our clients. The clients select the food and clothing items they can use. The volunteers assist in every step while showing compassion for the individuals and families.

Please continue to keep the Baptist Service Centers in your thoughts. Share this report with your church family. Help us secure funding so the Center will continue to be viable here in Calhoun County. Above all pray for the Center. Pray that we follow the direction of our Lord and Savior Jesus Christ in every way we serve.

Sincerely,
Janice Scheitlin, DMin - Director- Calhoun Baptist Service Centers

World Changers

Thank you! Thank you! Thank you! We appreciate you and all the many individuals, businesses and churches who partnered with us during World Changers Anniston/Oxford Project, July 13-18. Below is a brief overview of the week. We thought you would enjoy seeing the wonderful group of people who gave of their time, skills and resources to ensure that World Changers had a successful project.

Church groups made up of adults and youth from Texas, Georgia, North Carolina, Florida and Louisiana – 137 in all came to serve here as World Changers.

Ron Culberson and the St Clair Disaster Relief Volunteer Team brought their Shower Trailer and manned and cleaned it daily for us. Reddy Ice loaned an Ice Box and donated bags of ice for the week. Fourteen crews took two coolers of ice and water to their sites each day. These fourteen crews completed 14 projects in Oxford and Anniston (and one self-funded project in Alexandria).

Greenbrier Road BC family were up before daylight cooking breakfast and back again in the afternoon cooking dinner! Their housekeeping staff kept the facility neat and clean so these hardworking World Changers had welcoming accommodations to live in and worship in that week. Chandler Tyree, Pastor of Plum Springs BC brought the word each night – Wow! What worship!!! There were wonderful volunteers serving breakfast each morning at 6:30am - West Point Baptist Church and Westwood Baptist Church. There were some “night owls” too who served the dinner meal to the hardworking World Changers: Golden Springs BC, Parker Memorial BC, Alexandria BC, Greenbrier Youth & Adults So much joy was expressed for the cold snacks that were delivered each afternoon: Greenbrier Road BC Youth, Westwood BC, Oxford FBC, Parker Memorial BC, Parker DeArmanville BC, Roger Willmore from the CBA Delicious lunches were delivered to the sites for the World Changers crews and the homeowners: Angel Cakes Creamery; Diner along with Westwood Baptist Church worked together and were able to feed three crews lunch every day. Angel Grove, Mt Zion BC, Randall & Elaine Reeves FBC White Plains, Bubba & Pam Woodall of Leatherwood, Golden Springs BC, Parker DeArmanville BC, Antioch BC Meadowbrook BC, Bethlehem BC, Parker Memorial BC, Saks FBC.

There were several local individuals that served all week on the mission field with the World Changers. They were Crew Chiefs, Runners, and Supervisors. During 2027 we will need Crew Chiefs, Runners and Supervisors to step into these leadership roles not only for construction skills but as spiritual leaders during the week. If you, or someone at your church would like to volunteer their time for the week beginning July 12 please have them contact the Site Coordinator.

When the need arose for more showers Parker Memorial volunteered the use of their CLC showers. Not only were two crews able to shower there – they also were given a tour of the church and its history. These World Changers from various states across the southeast were very thankful and impressed with the generosity.

The most wonderful news of all!!!! Not only did World Changers work on 14 homes during the week -the World Changers prayed with 95, presented the Gospel 62 times resulting in 3 salvations and 2 rededications. Thank you for serving World Changers so they could make a difference in the physical conditions of homes and for several they made an eternal difference by sharing the Gospel of Jesus Christ!

There were many who served. I apologize if I didn't mention a name or group. Please put July 12-17, 2027 on your calendars! World Changers will be back in Calhoun County that week. They will need churches, businesses and individuals to partner with them. To volunteer please contact me, Site Coordinator Janice Scheitlin at the CBA office: 256-237-5171. If you have questions, please go ahead and contact me now so I can speak with you or your church class or missions' group about this mission opportunity.

If you know of an individual or family who may need construction help here are a few details:

Individuals must be the homeowner and be able to provide proof of ownership and income.

The home must be located inside the city limits of Oxford or Anniston.

Applications will be available January 2027 for Anniston homeowners at the Community Development Office in Anniston. Oxford city homeowners can pick up their application at the Oxford City Clerk's office. Applications must be completed (and proof of homeownership and income attached) and returned to the correct office in February.

Self-Funded projects are also considered. These self-funded applications are available only by contacting the Site Coordinator.

It's great to be a World Changer,

Janice Scheitlin, DMin

The Calhoun Baptist Association Constitution

OF

CONSTITUTION CALHOUN BAPTIST ASSOCIATION

ARTICLE I - NAME

The name of this association of Baptist churches shall be the "Calhoun Baptist Association," Hereinafter known as the Association in this document.

ARTICLE II - MISSION STATEMENT

The mission of the Calhoun Baptist Association is to enable and assist our family of self-governing churches in cooperating to extend the Kingdom of Jesus Christ in their local setting and beyond.

ARTICLE III - ARTICLES OF FAITH

The Articles of Faith of the Association, which shall be the basis of fellowship and cooperation, shall be the Baptist Faith and Message currently adopted by the Southern Baptist Convention.

ARTICLE IV - MEMBERSHIP AND LETTERS

Section 1. The Association is a wholly autonomous body composed of messengers who have been elected by qualified Baptist churches. Each church must meet all of the following qualifications:

- (1) It is a regularly constituted autonomous body organized on generally accepted Southern Baptist principles.
- (2) The church's policy is such as to assure full and unrestricted congregational control of its membership, organizations and officers.
- (3) The pastor preaches and the congregation endorses only doctrines generally believed by Southern Baptists to be taught in the Bible.
- (4) The church cooperates in fellowship and in purpose, and it contributes regularly to financial support of the denominational causes promoted by the Association, the Alabama Baptist State Convention, and the Southern Baptist Convention.

Section 2. Churches wishing to affiliate with the Association shall complete the following procedures:

- (1) Leaders of a group who are considering starting a new church should consult with the leaders of the Association before organizing the new church.
- (2) They must submit a written request to the Advisory Team to begin the process of review, study and development of recommendations.
- (3) When ready, the Advisory Team will recommend at the Annual Meeting or at an Executive Council Meeting that the applicant be placed under watch-care (non-voting affiliation) of the Association for a period of no less than one year.
- (4) After the church has been under the period of watch-care of the Association, the Advisory Team shall report to the Association its recommendations and the petition of the applicant at the Annual Meeting or at the April Executive meeting of the Association. The applicant must be approved by a two-thirds majority vote of duly elected messengers present and voting. Messengers from newly received churches shall be seated thereafter.
- (5) The Advisory Team shall give every consideration as to location and other matters in determining the

need for the new church. The need shall be based on surveys, studies through evaluation, and through consultation with neighboring churches who are members of the Association.

No church shall be recommended for membership in the Association which has not already been and expressed a desire to continue, cooperating in the work promoted by the Association.

- (7) Churches that have been established for a period of three or more years, and desire to become cooperating members of the Association, will be considered under paragraphs 2, 3, 4, and 7 of Article IV, Section 2, after consultation with the Moderator, Vice- Moderator, Director of Missions, and the Advisory Team.

ARTICLE V – ASSOCIATIONAL SUPPORT

It shall be the duty of each church to contribute regularly to the support of the work of the Association, the Alabama Baptist State Convention and the Southern Baptist Convention.

ARTICLE VI - JURISDICTION AND DISCIPLINE

The Association disclaims any ecclesiastical jurisdiction over any of the churches. The Association shall have the right to withdraw fellowship from any church in which it's doctrinal, moral or ethical conduct casts an unfavorable reflection on the good name of the Association, or whose influence counteracts the efforts of the Association in the extension of the Kingdom of God.

Moreover, since the regularity, policy and spirit of cooperation of a church, as defined in the first, third and fourth principles of Article IV, Section 1, involves harmonious working together of the churches, this Association may properly inquire into these matters and in open meeting hear any church in question.

The Association may declare any church or churches who have failed to comply with the principles stated in Article IV, Section 1, no longer members of the Association upon a majority vote of members present and voting in open session.

ARTICLE VII - MEETINGS

Section 1. The Association shall meet annually at such time and place as it may select. If the Association should fail to select the time and place of its next annual meeting, the Advisory Team shall act for the body. If it shall be necessary to change the time or place, the Advisory Team is authorized to act for the body.

Section 2. Churches of the Association shall be entitled to three (3) messengers to the annual meeting for the first fifty members, or fraction thereof, and one (1) additional messenger for each additional fifty members or fraction thereof. The total from each church shall not exceed fifteen (15) messengers. The messengers shall be certified on the Annual Church Profile.

Section 3. It shall be the privilege of any messenger to challenge the seating of the messengers of any church. Such a challenge must be presented in writing and may be based only on one or more of the four qualifications set out in Section 1 of Article IV. The challenged messenger shall have the right to vote until his/her case has been decided by a majority vote in open session of messengers present. If the body wishes, the matter may be dealt with immediately with equal time being given to the challenged and challenger(s). If, however, the body wishes to proceed with the order of the day, the matter will be referred to the Advisory Team for study and recommendation at some other hour during the annual meeting or at a special meeting of the Association. In any case, the challenged messengers will have a right of defense and/or refutation.

ARTICLE VIII - OFFICERS

The officers of the Association shall be a moderator, a vice-moderator, a clerk, and a treasurer, who shall be elected annually by the Association. Election shall be held during the annual meeting and the new officers shall take office at the end of the closing session.

- (1) The Moderator's duties shall include presiding at all meetings, unless he assigns the duty to the Vice-Moderator, and offering such leadership as opportunity shall permit. He shall be an ex-officio member of the Advisory Team and shall meet with them as necessity and expedience shall dictate. He may serve for two consecutive one (1) year terms if elected, but shall not be eligible for re-election without the lapse of at least one (1) year.
- (2) The Vice-Moderator shall, at the request of the Moderator, assume any or all of the duties of the Moderator and carry out any other duties assigned to him by the Association. In case of death or resignation of the Moderator, the Vice-Moderator shall assume the office of Moderator. In case of disability, the Vice-Moderator shall assume the full duties of the Moderator until such time as the Moderator can resume his responsibilities. He may serve for two consecutive one (1) year terms if elected, but shall not be eligible for re-election without the lapse of at least one (1) year.
- (1) The Treasurer shall oversee the permanent record of all monies received and expended by the Association. The Treasurer shall be responsible for an itemized, written report to the Executive Council or Advisory Team at the regular meetings, including a written cumulative report to be given at the annual meeting of the Association. The books of the Association shall be reviewed each year as designated by the Advisory Team and audited as deemed necessary by the Advisory Team. The Treasurer may be re-elected annually.
- (2) The Clerk is the recording officer of the Association and the custodian of its records. The Clerk may be re-elected annually.

ARTICLE IX - TRUSTEES

There shall be three (3) trustees of the Association. They shall be elected by a majority vote of the Association in annual sessions upon recommendations of the Advisory Team and shall take office at the end of the closing session. They shall serve for the terms to which they are elected, or until their successors are duly elected. A trustee shall not be elected to serve again until the lapse of at least one year from the term which he/she has served. The trustees shall be elected to serve on a rotating basis. The Association shall at each annual session elect one (1) trustee who shall be elected for a term of three (3) years. The Advisory Team shall nominate the team leader.

Title of any property of the Association - real, personal, or mixed - shall be vested in the trustees of the Association. The majority of the trustees then in office shall have the power to execute deeds of conveyance, bill of sale, mortgages or any other appropriate transfer of title to any of the property of the Association, subject to the approval and direction of the Association in annual session of the Executive Council.

ARTICLE X - EXECUTIVE COUNCIL

Section 1. Composition of the Executive Council

The Association shall have an Executive Council made up of the pastors of all churches, a lay member elected by each church, the Director of Missions, the full time ministerial staff of the Association, the Association's Advisory Team, and ministry leaders.

Section 2. Duties of the Executive Council

- (1) The Executive Council shall meet in the spring or any called meeting and shall be charged with the responsibility of conducting business of the Association during the sessions.
- (2) Should any officer elected by the Association, other than the Moderator, fail to carry out the duties of his/her office due to death, disability, resignation, or any other reason, the Executive Council shall elect the successor upon the recommendation of the Advisory Team.
- (3) The Executive Council shall be charged with the responsibility of electing all Associational officers and ministry leaders other than the Moderator, Vice-Moderator, Clerk, Treasurer, and Trustees in the October

- Annual Meeting.
- (4) Replacement or additional members may be elected at a special called Executive Council meeting or at the Annual Meeting.

Section 3. Relationship to Staff

- (1) The Director of Missions shall be employed and compensated by the Executive Council upon the recommendation of a Search Team. The Search Team shall be nominated by the Advisory Team and approved by the Executive Council. The Advisory Team will recommend to the Executive Council a Search Team composed of five (5) members. The Director of Missions shall work under the direction of, and in cooperation with, the Advisory Team and the Executive Council. He shall maintain an office to promote the missionary, benevolence, and educational work of the Association. He shall be an ex-officio member of all teams and councils with the privilege of making recommendations and entering into discussion of all matters, but without the privilege of voting. Other duties and responsibilities may be stated in his job description.
- (2) Other ministerial staff members may be employed and compensated by the Executive Council upon the recommendation of the Advisory Team and the approval of the Executive Council. The duties and responsibilities of staff members are to be stated in their job descriptions.
- (3) Other employees of the Association shall be employed by the Advisory Team upon the recommendation of the Director of Missions.

ARTICLE XI - THE ASSOCIATION ORGANIZED FOR WORK

Section 1. The Advisory Team

- (1) The purpose of an Advisory Team is to lead the association to fulfill its vision/purpose. This team will take the place of standing committees. Being a multi-staffed association affords the options of considering various administrative procedures.
- (2) Twelve members will represent all levels of the associational churches. The moderator Vice Moderator will be considered part of the membership. Members will be recommended by the Moderator and Vice Moderator in consultation with the Director of Missions. This recommendation should take place during the April Executive Council meeting. Additional members may be elected at a called Executive Council meeting or at the Annual Meeting. The members will serve a three-year term with four members rotating off each year.

ARTICLE XIII - QUORUM

The messengers present shall be considered a quorum in the annual sessions and all called sessions of the Association. A majority of the messengers present and voting shall be necessary for the Association to act.

There shall be at least eighteen members present to constitute a quorum of a meeting of the Executive Council. All other teams and councils shall require a majority of their members to have a quorum. A majority of the members present and voting shall be necessary for all teams and councils to act.
