**January 14, 2026**

**Dear Members of the Calhoun Baptist Association,**

**The purpose of this letter is to announce my retirement as Director of Missions, effective when my successor is called. I am thankful to God and to our Calhoun Baptist Association family of churches for the privilege of serving Him in this ministry for almost ten years. There are countless CBA servants and co-workers for whom I have immense gratitude. I am thankful for our staff. Every day they work hard and serve well to present the gospel and win souls to Christ. Their love for Jesus is genuine. I want to thank our CBA congregations for your support. I also want to thank our CBA pastors who faithfully preach the Word of God. I was blessed by the times you allowed me to preach in your churches. Thank you.**

**Again, thank you members of CBA for allowing me to serve as your Director of Missions. You have blessed me in many, many ways.**

**As I write this letter, Philippians 1:3: "I thank my God upon every remembrance of you." comes to mind. I have many memories of you that I will cherish always.**

**May Jesus Christ, our Savior and Lord, continue to bless the CBA family!**

**With much love and appreciation,**

**Dr. Roger Willmore, Director of Missions**  
**Calhoun Baptist Association**
